

Northern Light Technologies

Strip Lighting

For Rugged Environments

FEATURES

- IP68, designed for high humidity and harsh industrial environments
- Energy efficient
- Permanent and temporary lighting applications
- High-quality silicon material
- Easy to handle and install
- Standard length 10-meter reels (other lengths available)

P/N	Lighting Output (Lumens/m)	Operating Voltage	Rated Power (W/m)	Dimension (mm W x H)
SL3701-036B-10	2230	36VDC	30	36 x 12
SL3702-048-10	1200	48VDC	14	14 x 5
SL3702-110-10	1800	110VAC	19	14 x 5
