

Industrial Network Cameras

High Quality. ONVIF Compliant. Feature Rich. Price Friendly.

It's rare when high quality and low cost intersect, but that is what NLT Digital's Dahua mining cameras deliver for your operation.

When you choose Dahua instead of expensive name-brand cameras, you are making the smart choice for your mine and bottom line.

"By transitioning to Dahua cameras, we have saved Glencore's Kidd Mine tens of thousands of dollars each year. For the price, Dahua's quality and feature set are unbeatable."

- Bruno Battocchio
